ICAME2019

6th INTERNATIONAL CONFERENCE ON ADVANCES IN MECHANICAL ENGINEERING

August 14-16, 2019 | Kota Kinabalu, Sabah, Malaysian Borneo

Extended submission deadline: 31 May 2019

All accepted papers will be published as Scopus indexed Publication: IOP Conference Series

Other supporting journals:

• Tribology International • The TQM Journal • Journal of Mechanical Engineering • Jurnal Tribologi

OUR SPEAKERS

Prof Ali Erdemir

Argonne National Laboratory
"Advancement in Lubrication
for Automotive"

Dato' Madani Sahari

Malaysia Automotive,
Robotics & IoT Institute
"Human Capital
Development in the era of
Connected Mobility"

Prof. Man Soo Joun

Gyeongsang National
University
"Hot issues of metal forming
simulation technology for
automobile parts"

Prof. Akihiko Hanafusa

Shibaura Institute of
Technology
"Rehabilitation science"

Assoc. Prof. Nor Hayati Saad

Universiti Teknologi MARA
"Quality Education in
Engineering Academic
Programme"

Dr. -Ing. Marcel Graf

Technische Universität
Chemnitz
"Application of numerical
simulation for lightweight
design"
